The Trial session

The structure of the session will consist of the various age groups participating in a structured and advanced coaching sessions, which will last for 1 hour 30mins approximately. The session will be delivered by qualified and experienced Lead and Assistant Coaches of the respective age groups of the Academy teams.

Injury & Illness Prior to Trial Day

If this happens and occurs to you, then you must email trials@protouchsocceracademy.com or call Zahid 07856 461 040 stating your full name, school year and contact numbers. Following your email PTSA Management will be in contact will you shortly to discuss further options about possibly re-inviting you to another trial day/session.

Selection Process

It will take approximately 2– 3 sessions before we can offer any player official agreement contract with our terms and condition with one of our Academy age groups (5/6s, 7s, 8s, 9s, 10s 11s, 12s, 13s, 14s and 15/16s).

However in the past we have offered to sign outstanding gifted talented players on the day. If you are registered with a Sunday League Team or similar Academy programme, we will discuss how we overcome the situation on an individual case by case basis.

The players who do not show the Coaches their full potential may be provided with another opportunity to attend the next available monthly trial session (but we can not guarantee this will happen).

Video & Photography

We will have our official video producer filming the trials for both PTSA promotional and marketing use as well as for Professional Clubs to analysis and study players on display.

Our official photographer will take professional shots and capture those very special moments, which can be purchased at a later date (details will be provided on the day) and will also be used in PTSA promotional and marketing materials.

Pro Touch Soccer Academy can not be held responsible for any lost or damage to participate(s) belonging and also injuries caused during the trial training and matches throughout their time spent with PTSA. Once a player has been offered terms to register and signed agreement with PTSA, it's then when our Public Liability Insurance will kick into effect.
